Mitsubishi Logistics Corporation

## Mitsubishi Logistics Europe B.V. Obtains GDP Certification

Mitsubishi Logistics Corporation (headquarters: Chuo-ku, Tokyo; President and Chief Executive Officer: Masao Fujikura; hereinafter “Mitsubishi Logistics”) is pleased to announce that Mitsubishi Logistics Europe B.V., European subsidiary of Mitsubishi Logistics Corporation, has obtained the GDP (\*) certification for its Frankfurt office regarding its systems for handling international transportation of pharmaceuticals. An outline of the certification is as follows:

### [Outline of certification]

1. Name of certification    GDP of Medicinal Products for Human Use of 05 November 2013  
(EU 2013/C 343/01)
2. Certification body        DEKRA Certification GmbH
3. Certified location        Frankfurt office, Duesseldorf Branch, Mitsubishi Logistics Europe B.V.
4. Scope of certification    International transportation and its associated truck delivery  
(including handling of temperature-controlled pharmaceuticals)
5. Certification date         December 23, 2021

Mitsubishi Logistics is developing pharmaceutical logistics services on a global scale. In international transportation, Mitsubishi Logistics has obtained the CEIV Pharma (the Center of Excellence for Independent Validators in Pharmaceutical Logistics created by the International Air Transport Association) certification, a quality certification for the air transport of pharmaceuticals, for its operations at Kansai International Airport. Moreover, Mitsubishi Logistics is currently preparing to obtain the CEIV Pharma certification for its operations at Narita International Airport. Looking ahead, Mitsubishi Logistics will continue to expand logistics services and improve its service quality in compliance with the GDP.

\*GDP: Good Distribution Practice. Quality management standards in the distribution process of pharmaceuticals
